HIGH - SCHOOL Settles With Non-Certified Help

From all indications it would appear that the Antioch High School has settled at least part of its salary woes by coming to terms with its non certified staff.

At its November 1 Board Meeting the group released facts and figures on the new agreements with custodial, kitchen, secretarial help and bus drivers.

The custodians have been given pay increases according to their length of service. One member of the staff will receive an additional \$400; 2 will get \$300 and 8 were offered \$250. Two men who work on a nine-month basis will receive \$187.50 and \$150 respectively. In addition, 3 hourly personnel will get an added \$.15 an hour. These raises will be effective on December 1st and are on a seven month basis.

The custodians will now be in conformity with the other personnel in regard to their contract date which now begins July 1st. Formerly, their agreement ran from September 1st through August 31st.

A new policy on vacation days was also implemented. In the future the custodians will get an additional paid vacation day for each year of service, after 20 years, with a maximum of 5 weeks.

Bus drivers were also given a salary increase. On December 1st they will now receive \$3.25 per hour for their duties with the most senior driver getting \$3.45. In addition the 90 day probationary policy for new drivers will be abolished. The Board felt that the bus administrators could tell more

speedily if a man would be retained or not.

The cafeteria workers also received an increase. A peculiar situation finds the kitchen staff paid from cafeteria income and federal money through the school lunch program and thus self sustaining. However due to the rise in the cost of living the kitchen workers will receive a 5 1/4 % increase in their hourly wage. The Board also authorized the kitchen staff to request an extra \$.25 an hour for their banquet rate.

The kitchen baker was also given a \$.16 an hour raise to conform to the chief cook's salary.

The secretarial staff are the only non-certified employees who will not receive an increase. Since they are paid from the educational fund, which is suffering a large deficit, they agreed to forego any increase in pay through June of 1972. They will, however be given a few extra days off based on the discretion of the business manager and clerical supervisor, in lieu of more money.

The Board suggested that all secretaries now employed and still working in June of 1972 will get an increase at that time.

All of the increases given to non-certified help conform to the President's new Phase II guidelines.

There has been no indications that the teachers are ready to settle. Apparently there has been little communication between the teachers and school board. The 6 month extension of their contract will expire on December 31st.

Postal employees and their families are shown packing Christmas boxes for overseas servicemen on Sunday, November 21st. Thirty-five

men will receive 2 boxes of homemade goodies, packaged foods and useful articles. The Post Office wishes to thank contributors and especially long time contributors. (Staff Photo)

Day Of Thanksgiving

Every nation has its cherished customs and traditions. Some go back to the beginning of Christianity or even further. Some are of more recent origin such as thanksgiving which had its inception in what is now the United States when a small band of pilgrims, newly landed on the hostile shores of New England, gave thanks for the mere fact of being alive.

Thanksgiving has become a solidly entrenched American institution. It offers firm reassurance of the continuity and stability of all that is good and wholesome in U.S. life today. As families and friends gather together to share the repast of Thanksgiving, they should pause to recall the purpose of that first day of thanks participated in by a handful of pilgrims centuries ago. That purpose is an expression of simple appreciation for the fact of survival -- of being alive.

We are not only alive today, but we have a nation that attained heights beyond anything the pilgrims could have dreamed. In attaining those heights, our country stands in danger of losing its sense of values. November 25 -- Thanksgiving -- is an appropriate day to pledge their restoration.

Thanksgiving, like Christmas, comes but once a year. Just for a change, why don't we celebrate Turkey Day in the manner to which it was intended, A Day of Thanks.

Thanks for the many blessings that God has bestowed upon us, good health, good family, good life.

Thanks for a country that while beset with problems, still has proven true to the ideals for which it was founded: liberty, equality, justice.

Thanks for the right to worship, on Thanksgiving, in the church of our choice, free from oppression and harrassment.

Thanks for the government that while far from infallible has given us the security to gain all our material comforts.

Thanks for the love of family and the cherished friendship of comrades.

Thanks for our lives to those who gave theirs for us.

And finally, Thanks that we have been given this year to learn and understand, so that next year more of us will be able to give thanks.

Lake Villa Citizens "Care"!

Citizens in the Lake Villa School district are forming an organization in support of that school system's education programs and staff. The group which feels that the system has

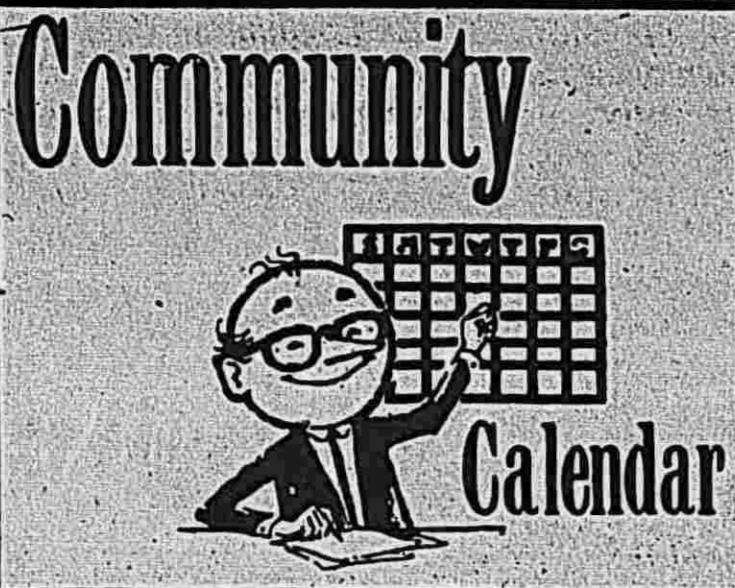

received much unwarranted criticism recently, believe that many people in the area are concerned about these attacks. They think that some organized effort is essential to provide a means by which those in support of the system can voice their opinions.

The group which has taken the word "Care" has stated its objectives as retaining the present educational system in District 41, establishing better communications between the citizens of the community, the Board of Education and the school staff, resisting and

refuting irresponsible criticism of the school, and supporting the Board, staff and teachers against threatened legal action.

Some of the individuals who have been active in the work of organizing Care are, Mr. & Mrs. Jim Jordan, Mr. & Mrs. Lowell Lloyd, Mr. & Mrs. Paul Vickers, Mr. & Mrs. Chase Millsop, Mr. & Mrs. Larry Hogan, Mr. Jim Moore, Mrs. Richard Bolt, Mrs. Frank Galiger, Mrs. Adolph Prangel, and Mr. Bob Holiday, and Mr. Fred Wolf.

Care plans to conduct meetings in which the educational system will be fully explained and where further community action can be started. A meeting has been scheduled tentatively for Dec. 2, the place to be announced later.

INDEPENDENT YOUNG DEMOCRATS ADVOCATE INVOLVEMENT

The Independent Young Democrats at the College of Lake County held their first meeting on Thursday, November 18, at The College Student Center. Jeffery Diver, a Waukegan attorney and a candidate for State Senator in 1970, was the guest speaker. Mr. Diver spoke to the Young Democrats about the various kinds of political involvement. The first kind of involvement is passive, being a taxpayer and obeying the rules and regulations of society. The active involvement is a moral feeling of obligation to make a situation better. A short question and answer period followed the lecture. When asked if he would be a candidate, Mr. Diver stated that he had not yet decided where he felt he could be most useful, as a potential elected official or working for other causes within the political realm.

Representatives of Senators Muskie and McGovern were present, as well as those from the Simon and Walker gubernatorial campaigns. Ralph Montrimas, democratic candidate for the County Board from District Four was the only announced candidate present. John Cappitelli, Vice President of The Independent Young Democrats was in charge of the meeting.

Rotary Wild Game Dinner Slated For Dec. 3

Friday, December 3rd, has been slated by the Rotary as the date for their annual Wild Game Dinner. The 6:00 p.m. fete will be held at the Holiday Inn in Gurnee.

Many stories would end here and miss the opportunity for an interesting and absorbing tale.

Providing the "wild game" will be former Antioch Police Chief and current Rotary dinner chairman, Jack Heick.

Since 1959, Jack has earned the big game hunter label. He has tracked and hunted game in Wyoming, Montana, Colorado, West Virginia, North Dakota, Wisconsin and Illinois in search of wild turkey and antelope, plus mule and white tail deer.

Jack has also trailed animals on the blustering plains of Saskatchewan and Newfoundland.

Rotarian Jack has worked as

a farmer and currently runs a petroleum equipment and maintenance service, but hunting is his labor of love.

In 1968 he and Cyril Thornehill, a local guide, extended their long friendship by going into business. Together they formed the Northern Guides and Outfitters Ltd.

They organize and guide hunters to the Newfoundland haunts of bear, moose and caribou, which can only be reached by float plane.

Jack will be returning to Antioch soon with the meat for this dinner. His trophies will be prepared in seven delicious ways. This dinner is open to the public and provides a good chance to try this unusual meat.

Tickets are on sale at the State Bank of Antioch at The First National Bank and at The Antioch Savings and Loan.

"Ride Along" Program Begun In Antioch

Monday, November 15th, saw the beginning of an ambitious, joint project of the Antioch High School and Police Department to improve relations between students and law enforcement officers.

Labeled the "Ride Along" Program it allows two high school students to accompany a patrol car during the 4 to 8 shift from Monday through Saturday.

The concept of "Ride Along" originated in San Diego several years ago. The aim of the program is to better relations between law enforcement and the educational community. Through the program students

learn first-hand that police work is not all excitement and can better appreciate the monotonous nature of routine patrol.

Implementation of the program in Antioch can be credited to Mr. Lucien McLean, and Mr. James Curtis of the Antioch High School Social Studies Department. To date, 35 students, both boys and girls have signed up. The students require a written waiver from their parents.

The initial response of the "riders" has been extremely favorable. Chief Jack Davis has found their comments helpful and hopes to continue the program into the future.

LETTERS TO THE EDITOR

COLD ANGER!

Gentlemen:

The evening of Tuesday, November 16, 1971, at 7:30 p.m., I went up to the Antioch Upper Grade Center to attend what purported to be a play, put on by a segment of the eighth grade class. When we entered the Audio-Visual Room, there were four boys perched on stools at the back of the room with flashlights in their hands. Little did I know at that point that this was to supply most of the illumination for the performance to follow. On the walls at the front we observed large posters, the theme of which was WAR OR LOVE. The "play" was conducted in almost total darkness while the flashlights swung from one poster to another with an occasional flash in the direction of the group of singing girls. The songs were hardly appropriate for an eighth grade class. The play opened with the playing of a rather badly taped recording of a love song done by a contemporary group. The whole text of the play was a recapitulation of the horrors of war and the hardships of soldiers in the army, this being tied to the Civil War so that one could not accuse anyone of taking a stand with respect to more recent hostilities. The soldier boy's agonies were pantomimed through the glass-wall of the room while little girls sang of their anguish and longing for their absent lovers. Interspersed throughout were other badly taped recordings of contemporary songs dealing with the theme of WAR OR LOVE.

Programs were distributed, listing names of the various segments of the play, but conspicuously absent were the names of the children performing, their adult advisers, or any credit lines for this dubious production.

Now all of YOUR CHILDREN saw this play providing they were not absent from school. Fewer than fourteen parents saw it. We were given less than 48 hours notice of the performance. No notices were sent out. We were simply told by our children in the cast and advised not to bring younger children. This

The play that set off this

guarantees a sparsity of parents in this area, since it means they must come up with babysitters on short notice.

My reaction to this whole production was cold anger. The message of the play came through loud and clear. Inasmuch as I cannot possibly go back and call off the Civil War, World Wars I or II or the Korean conflict, I can only assume that this is a further attempt on the part of the so-called NOW generation to force the War-Monger's shoe on our over-thirty feet and to psychologically disarm the next generation before the fact of any possible future conflict.

I do not want TEACHERS to indoctrinate my children. Leave their morals and ethics alone. Teach them English, Mathematics, Science, History, etc. That is what we hope that we are paying for. It is presumptuous and arrogant for people in the field of education to assume arbitrarily that we are unfit to raise our children to be mature, decent, compassionate human beings.

No one in their right mind ever liked war and no sane parent ever sent their sons off to war happily. Neither do they, however, want the schools preparing the ground for the radicalization of their young people.

I have met a wide spectrum of people throughout the Antioch area and I have shared their children with them through Brownies, 4-H, Cub Scouts, Girl Scouts, and as a room mother for five years. These children have been enjoyable and their parents have my respect. They are responsible hard-working, decent people who are investing themselves and all their resources to see to it that their children lead a better and more productive life than their own. Not all of them have had the same educational and economic advantages, but we share a common goal through our children. No one has the right to contemptuously usurp the parent's role as moral, ethical, and spiritual leader of their children. The disparity in the maturity of parent and child will create enough of a generation gap without anyone in our schools acting to exacerbate the situation. Cut out the psychological warfare on our youth!

The play that set off this

letter was very George Orwell, very, 1984, and I wish that a wider cross-section of parents had seen it. As it is, it will be my reaction against the protestations of the school that this was "entirely" the children's work. I know what

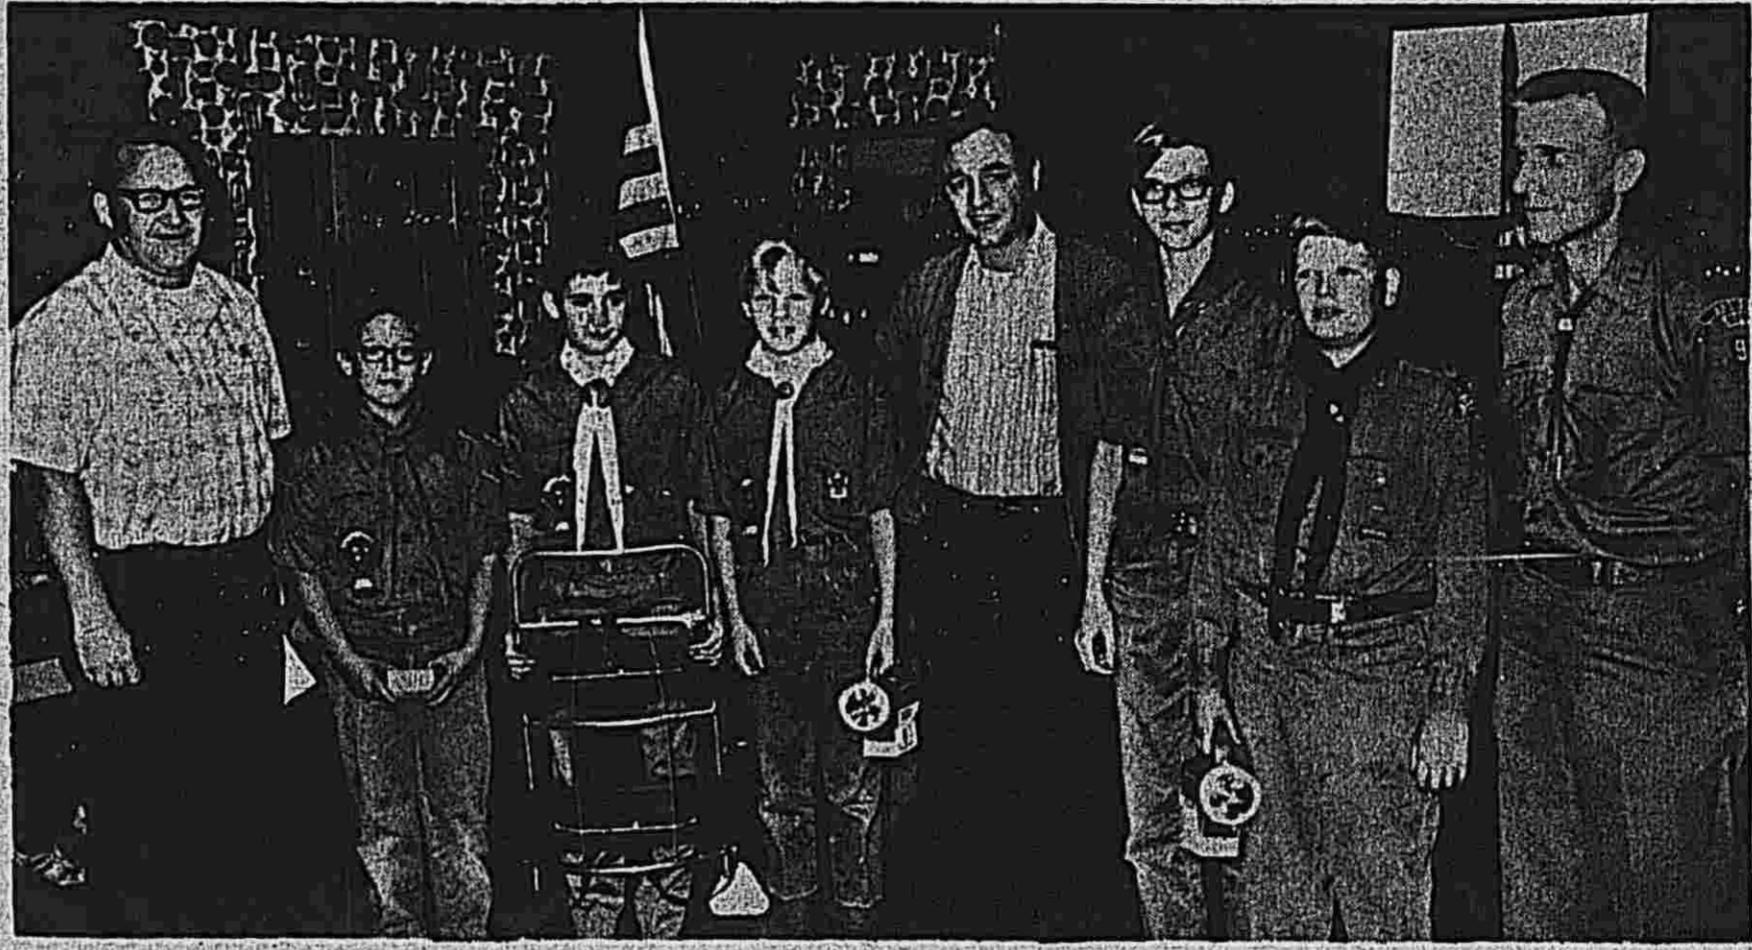

these children come up with when left to their own devices. I have seen it recently in scouting. I saw in the play the heavy-hand of an adult not-to-far removed from the campus riots of the last decade.

I must assume that Mr. Meyer and Mr. Herbst know

what is going on in the school and apparently saw nothing wrong with Mr. Conto's show. He is, by the way, an Arts/Craft teacher.

Sincerely,

Ann Conners
(Mrs. John H. Conners)

MERCHANT OF THE WEEK

"The dollars and cents, corporate image of business, there's more to it than that." The words of a business executive? These are the thoughts of William Mendrala, local pharmacist and subject of this issue's Merchant of the Week.

Bill is the owner and operator of the Antioch Drugs. He feels that the personal touch "while belabored is the key to any retail business." To him this is not idealistic, but should be the case.

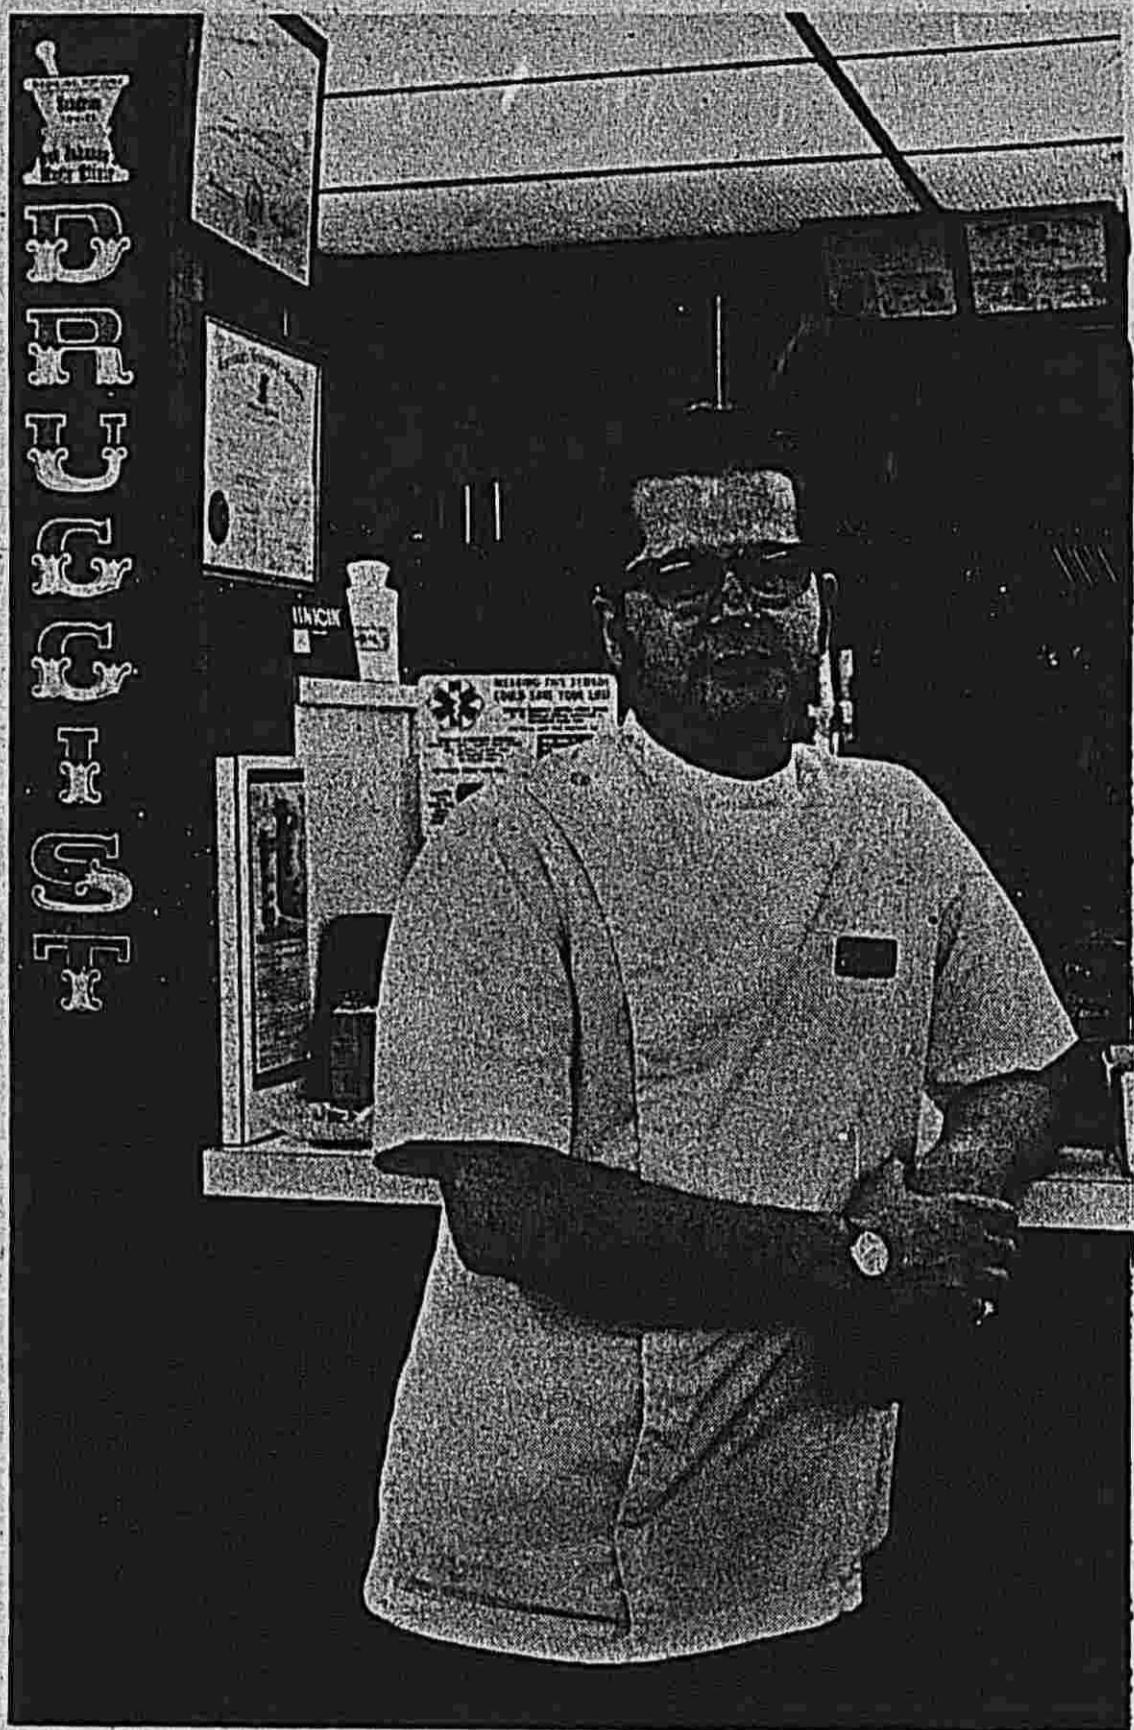

His business is proof to this practice. In the six and a half years of operation, the Antioch Drug staff has tried to live up to this goal.

Besides being an able druggist, he is also a hard working civic leader and family man.

He and his wife Nancy have four children, two boys and two girls. Two are in high school and two in grade school.

Nancy is a registered nurse, but with a large family doesn't find much time for nursing.

Bill has been active in civic affairs for quite a long time. He is a member of the Antioch Rotary Club, on the Board of Directors of the Chamber of Commerce and is a past president of the Wheeling Rotary. He has also lectured

(Staff Photo)

William Mendrala

and counseled junior high school groups on drug education and abuse.

In his leisure time, Bill likes boating, golf and many outdoor diversions.

However, his real interest is music. He plays the drums, piano and organ. Bill worked his way through Pharmaceutical School relying on his musical talents.

He attended Elmhurst

College, Northwestern and gained his degree in Pharmacy from the University of Illinois.

Bill said he prefers Antioch to a larger town. "I enjoy working in a small

community", he stated. "In a large city you perform a volume business and can seldom deal with the customers on an individual basis.

Student Welfare Council Proposed

At the November meeting of the Antioch High School Board, Superintendent Al Dittman proposed the creation of a Joint Student Welfare Advisory Council.

The function of the Council

would be to provide a forum for students to discuss with adults, problems of student welfare.

The Council would be composed of seventeen members; twelve students, the

four class presidents and two students from each class; five adults, who may or may not be members of the P.T.A. and two representatives of the High School Board.

Mrs. Pauline Kanton sent us a receipt for flaky apple strudel requested by Mrs. Bella Breit.

Apple Strudel

2½ cups flour sifted 1¼ teaspoon salt
2 tablespoons salt 2 tablespoons shortening
2 eggs, slightly beaten ½ cup warm water

Sift flour, measure and add salt. Cut in shortening, add eggs to water and add mixture to flour. Stir until thoroughly blended. Turn dough out on floured board. Knead until smooth and shiny and a few blisters appear. This is important, for unless dough is sufficiently kneaded, it cannot be stretched to required tissue paper thinness. Cover with warm bowl. Allow to stand in warm place about 20 minutes. While dough is ripening, prepare filling by combining apples with sugar, raisins, nuts, cinnamon and butter.

Filling

5 cups sliced apples	1 cup chopped nuts
1 cup sugar	1 teaspoon cinnamon
½ cup raisins	
6 tablespoons butter or margarine melted	
½ cup vanilla wafer or graham cracker crumbs	

Mrs. Kanton didn't ask for a receipt in return but we have had several requests for pecan pie. Keep the recipes coming. It is a service to you and we can make the page as large as you want it. If you have a household question or a special hint, let us know of the Antioch area in on it.

It's been a busy week as far as birthday parties go, and this reporter is very happy to have the chance to wish them all a very happy birthday. Jeff Lemke celebrated his 8th birthday at his home on Saturday, November 21 with many of his third grade classmates. Jeff is the son of Bob and Lorraine Lemke.

Eileen Irmin had a party at her home on Saturday afternoon for her second grade classmates when she celebrated her 7th birthday. Eileen is the daughter of Rich and Dianne Irmin and had extra reason to enjoy her birthday because her sister, Kathy, was home for the weekend from college. George and Pat Hucker helped their daughter, Laure, celebrate her 7th birthday on Saturday with a dinner party for her grandparents and again on Sunday with a party for her friends.

Mary Jo Zeien was the guest of honor at a baby shower Thursday, November 19th at the home of Louise Gutowski. Twenty-eight friends and relatives presented her with many lovely and very useful gifts that are now stored away.

New Deductions

It's a boy! Congratulations to Mr. and Mrs. Frank DeSalvo who are the proud parents of a baby boy born on November 10th. Frank Joseph tipped the scales at 6lbs, 10oz. and was 18 1/2 inches long. He was given a big welcome home kiss by all four of his sisters.

Maternal grandparents are Mr. & Mrs. A. Mock of High Springs, Fla., and paternal grandparents are Mr. and Mrs. Frank DeSalvo of Fort Lauderdale, Fla.

WELCOME HOME! Theresa Lee Abear (our little premie new deduction) came home on Wednesday, November 17th. She weighed 4lbs 8 oz. when released and has since gained about a 1/2 lb.

Mr. & Mrs. Tom Haley are the proud parents of a brand new baby girl. They named her Cathy Ann. She was born Saturday afternoon at Victory Memorial Hospital and weighed in at 6lbs. 12 oz. Three brothers and a sister gave her a big welcome home hug.

Maternal Grandparents are Mr. and Mrs. Harry Arndt of Channel Lake and paternal grandparents are Mr. & Mrs. Tom Haley of Antioch.

Shawn Michael Reeves born on November 21st is the first child of Mr. and Mrs. Michael Reeves. The baby weighed 5lbs. 8oz. and was 19 inches long.

Maternal grandparents are Mr. and Mrs. Henry Lubkeman of Antioch and Paternal grandmother is Mrs. Joan Reeves of Antioch.

Presently Mr. Reeves is stationed at Ft. Bliss, Texas with the Army IARII.

for a couple of weeks until the arrival of number four. Many of the gifts were pink and ruffley in the hope that it would bring some luck the Zeien's way. They have three boys at home waiting for a little sister, also. Hostesses for the shower were Kathy Rogers, Kathie Behrens and Louise Gutowski.

Dick and Pat Harland spent the weekend in downtown Chicago attending the annual School Board Convention. While Dick attended the many meetings and demonstrations, Pat had the chance to roam the downtown stores for some early Christmas shopping.

Mike Harland received his varsity letter for Cross Country and Jeff Gutowski and Jim Morgan got their numerals for Football at a special awards assembly at the Antioch High School. The awards were presented to all boys who completed the fall sports programs.

Rose Bishop of the Pizza Pub, is recuperating after a rear-end collision on 173 and Tiffany Road last week. She has to be harnessed with a neck brace, but is very thankful that she was not hit harder. Hurry and get well Rose, we pizza lovers miss you.

The combined PTA'S of the Oakland, Antioch and Channel Lake Grade Schools held a very successful Christmas bazaar at the Oakland Grade School, last Sunday afternoon. The selection of gifts and the Lil Ole Cafe were really great. The talent on display was fabulous as all things sold were handmade. The committess did an outstanding job on the booths and the decorations. Santa was there to delight the little ones including my almost four year old who was very proud of the fact that she did not cry this year.

Joe Gutowski and Jim Portalski spent the weekend in Carroll County for the first weekend of the Illinois Deer Hunting season. They didn't have much luck although they did have a chance to get a few shots fired. Oh well, they will get another chance in December.

I hope that every one has a very Happy Thanksgiving and a good Weekend. Let me know the news. 395-1317 - Louise.

Shultz' Aid "Toy For Tots" Drive

For many retired people, life after work is not all as they thought it might be. Energetic and active people many times waste away with no interests, hobbies or projects. But for two of Antioch's retired population, time, if anything, goes along too fast.

Clarence and Dorothy Shultz have been devoting a large portion of their time to making Christmas a little brighter for underprivileged children.

Through the Marine Corps Reserves' Program of "Toys for Tots", the Shults' have made a successful transition from employment to retirement.

"Toys for Tots" is in its 23rd year of efforts to bring

toys, games, sports equipment or anything that a child might appreciate. The articles are donated by local residences and merchants for distribution to needy children at Christmas time.

Clarence and Dorothy, as the neighborhood youngsters prefer to call them, have been active in the program for four years now. They clean up, paint, repair and sometimes perform minor miracles to create useful toys from donated and discarded items.

Mr. Shultz repaired a number of tricycles, sometimes cannibalizing two to three to produce one like new model. He painted them and provided new pedals and handle bar grips.

He was especially proud of

several hobby horses that he restored to like new quality.

Mrs. Shultz knits and crochets doll clothes, besides helping her husband bring a shine back to once treasured toys.

Clarence, who was Village Clerk for 18 years and a volunteer fireman for 38, finds little time for the fishing he had once planned before retirement. "We've been very, very busy".

This year the Shults' required a Marine 2 1/2 ton truck to pick up the barrels of good will destined for needy youngsters.

Anyone wishing to donate toys should contact the Marine Reserve Unit in Waukegan at 623-7447.

Toys for Tots Drive at Emmons

Emmons Parents Club is sponsoring a "Toys For Tots" drive from November 29th to December 3rd. Donations of new or used toys may be left at the school in the barrels provided for them. For further information call (395-5371 or 395-0907).

The Country Squire

As you pass the large gate entrance and drive up the formal roadway you may receive an impression of stately grandeur.

Once you have entered and sampled the bountiful menu, your notions will be varified. The Country Squire is a sedate and opulent restaurant at the intersection of Illinois Routes 120 and 45.

The restaurant was recently honored by the Chicago Magazine Restaurant Award. This honor ranks the Country Squire with the likes of Don Roth's Blackhawk Inn and the Cafe de Paris, both of Chicago.

The Country Squire offers a large selection of gracious entrees including:

COQUILLES SAINT JACQUES

A tasty combination of scallops and crab meat with imported brandy, cheese topped and baked.

MARCHAND de VIN

Medallions of beef tenderloin are sauteed in butter, then topped with an exceptionally fine wine sauce and mushrooms.

CALFS SWEETBACKS

Just the right seasoning is added to the sweetbacks, then they are broiled and topped with a mild sauce.

All dinners begin with a lazy susan tray of herring, pickles, cheese, egg salad, carrot sticks and crispy rye thins.

The Country Squire offers an excellent choice of fine wines. Featured are Sauternes, Chablis, Burgandys and Moselles.

The large dining room which seats 180 is decorated in a gracious manner. The large picture windows provide an exceptional view of the 16 acres of wooded, rolling land.

The sprawling former mansion also provides banquet rooms which seat 75 and two coctail lounges offering the patrons a choice of decor.

Vic Palazzolo, Manager of the Country Squire feels that the area restaurant offers "many things that you would expect to find in downtown Chicago."

Woman's Club Hears Talk on Jim Beam Bottles

The regular meeting of the Antioch Woman's Club was held on November 15th. There was a discussion about the Christmas Party to be given at the next meeting. It was voted to omit the gift exchange and instead each member will contribute the money for a donation to a "petty cash" fund at Downey Hospital. This fund is used to help out a veteran who may wish to attend a show, or some other incidental for which he has no money.

Cookies for the Christmas holidays will be made and sent to Downey. Members were asked to bring two dozen cookies to the next regular meeting. They will be delivered to the hospital before Christmas.

The Scholarship winners from the summer program were introduced by Mr. Carey, the Guidance Counsellor at Antioch High School.

Louise Taylor attended Art camp, Janet Creplin attended Conservation camp. Michael Ozga attended Band camp. This is a one-week program and the Woman's Club each year sponsors a student to each camp.

Mrs. Don Mentone, program chairman, introduced the guest

speaker, Mr. Dave Nissen. Mr. Nissen, designer for Jim Beam bottles, gave an interesting and informative talk. The bottles are made to contain liquor, but have become collector's items in themselves. About sixteen years ago this hobby had its beginning and to date about 250 different ceramic bottles have been issued. The bottles range in value from \$24 to \$3,000 depending upon the availability of the bottle. The First National Bank of Chicago bottle is valued at \$2,300—only 150 were made.

A bottle is being designed for Bing Crosby's Pro-Am Tournament. One for Vice President Agnew will have a possible value of \$3,000; about 300 will be issued. Antioch became well-known because a commemorative bottle was issued for the Centennial.

Aside from its business role, Jim Beam does much philanthropic work—one worthwhile project is student scholarships. Mr. Nissen has a unique ability to design, mould and see the bottle through to its completion; each one completely different from all the others.

Mrs. W. C. Petty, as acting hostess, with her committee served refreshments—party cakes and coffee.

MR. AND MRS. SAMUEL PETTIGREW

Mr. and Mrs. Samuel Pettigrew marked 50 years of marriage on November 19th. The couple were married 50 years ago to the day at St. Joseph's Church in Libertyville.

The Pettigrews celebrated their half century of wedlock on November 20th with a 12 o'clock noon mass at St. Peter's and a reception for 115 at "The Angels", north of Antioch.

Guests were from Pittsburgh,

Chicago, Aurora, Waukegan, McHenry, Libertyville and Antioch.

Mr. Pettigrew retired from the Chicago Police Department in 1963 with the rank of lieutenant. After retiring the Pettigrews spent 6 years in Cresson, Pennsylvania and have been in Antioch for 2½ years.

Sam and Ruth have one son, John B. Pettigrew of Barrington and six grandchildren.

Recalling their banner year, when in honor guard competition, The Gurnee Legion Honor Guard, was first in 10th District competition, 1st in 2nd Division competition, third place in the state, and 8th place in national competition; the countless times they participated in casket duty and military funerals, all the New Citizen's Receptions at which they present and retire the district colors, plus the many parades in which they have marched. Ed. Jahneke has also been Memorial Day Chairman for the last 12 years.

Reverend Lauren Messersmith of the Milburn Congregational Church was

Guest speaker was Robert Maxwell of Mundelein, past 10th District and 2nd Division Commander, and a candidate for state Senior Vice Commander. Maxwell spoke of the traditional November 11th Armistice Day, and went on to expand his talk into the formulation of the American Legion in Paris in 1919. He then covered the Americanism, Children and Youth programs with special emphasis on the drug abuse problem; and the National Security programs of both the American Legion and the nation. He stressed the vital importance of the Back to God movement for everyone.

Lisa had the pleasant surprise of everyone singing "HAPPY BIRTHDAY" to her! Many happy returns, little Lisa!

in being a donkey or a coo doo!

On Friday, the student body was treated to a different kind of assembly. CINDY HAYDEN's hair was made to stand on end by it! It was an assembly on atomic energy and much to most people's surprise it was very interesting and informative. The speaker was from Northern University and through the use of visual aids and experiments with some of the people in the audience he made his presentation well worthwhile.

The A.F.S. entered the corporation business by the selling of stocks in Julio at the Oakland Grade School bazaar on Sunday afternoon. Homemade candy was also sold as a way to earn more money for the club.

Have a very nice Thanksgiving Day and don't eat too much turkey. See ya next week.

When there's a lot less shrinkage
in your family's roast, that's electric cooking.

unretouched photo taken at time of impartial test

These two big roasts started out even. Both the same cut. Both the same weight. The one on the right was cooked in an electric oven. It's kept more of its weight. More of its juice. More of what you pay for by the pound. The difference is this: an electric oven is completely enclosed. There are no air currents to shrink and dry the roast.

With the price of meat what it is today, it's nice to know you can bring more meat to the table, when you cook electrically.

'71 SEQUOIT CAGERS

The 1971-72 Antioch Sequoit Basketball Team was unveiled over the weekend and although they dropped a close decision, they proved that they have the players to make a good run at the conference and

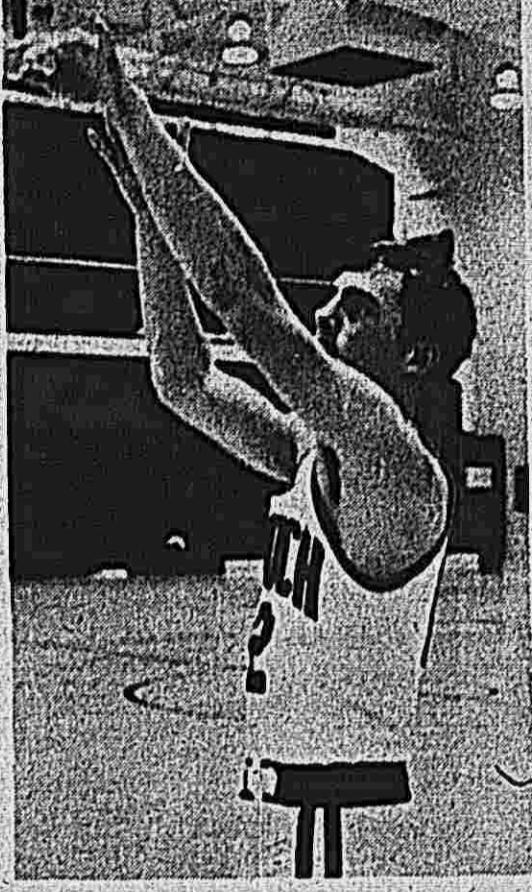

district if they improve and stay healthy. Head Coach, Roger Andrews, and assistant, Gary Allen, have a fine group of boys to mold into a team, although they lack good height.

The team has three returning lettermen: Pat Michalak, Tim Mieure and Jeff Williams, along with 11 others who hope to take Antioch as far as their skill and determination will allow.

GLEN AMUNDSEN

Strong Candidate for guard. One of the leading scorers on Sophomore team. A real hustler.

PAT MICHALAK

GORDON SILIANOFF
